

Reset Password

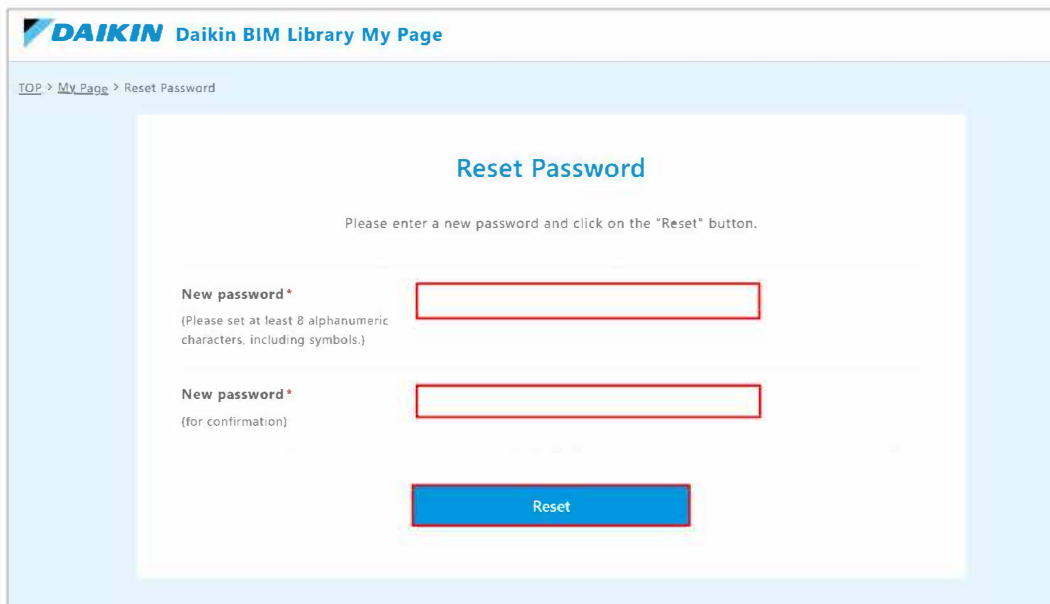

Select "Reset Password" from "My Page", enter your current password and click "Next".

The image shows a two-step process. On the left, the 'Daikin BIM Library My Page' is displayed with three options: 'Reset Password' (highlighted with a red box), 'Change Account Information', and 'Delete Account'. A blue arrow points from the 'Reset Password' option to a second screen on the right. This second screen prompts the user to 'Please enter your current password.' with a text input field and a blue 'Next' button.

Enter your new password twice and click "Reset".

Please note that a password same with the current one cannot be used.

The image shows the 'Reset Password' form within the 'Daikin BIM Library My Page'. The breadcrumb trail at the top reads 'TOP > My Page > Reset Password'. The form title is 'Reset Password'. Below the title, it says 'Please enter a new password and click on the "Reset" button.' There are two text input fields: the first is labeled 'New password*' with a note '(Please set at least 8 alphanumeric characters, including symbols.)'; the second is also labeled 'New password*' with a note '(for confirmation)'. A blue 'Reset' button is at the bottom of the form.
